Dear Division Commissioners

Wishing you and everyone in your Divisions a very Happy New Year!!!

Girlguiding in 2010 is going to be fantastic and my team and I would like to take this opportunity to wish you all lots of happy memories from everything you and your Units choose to do from all that is on offer in this our Centenary year. Above all have lots and lots and lots of **FUN - FUN - FUN!!!!!!!**

## **Safari 100 - Sunday 11<sup>th</sup> July 2010 at Woburn Safari Park**

The following question relating to Bedfordshire's Safari100 has been put to us:

**If a parent wants to come with a Rainbow and bring another child (non member) with them is that ok?**

After some discussion we have agreed that this is okay as long as all ratios are met and the parents take responsibility for any extra children attending that are non members. This applies to all sections not just Rainbows and to all Members/Trefoil and helpers. You know what they say the more the merrier.

Any parents or parents with siblings that are non members wishing to join us on Safari for this spectacular day will be made very welcome. However everyone attending must be paid for in full by the due date and must travel with us by coach.

Everyone attending will be included in all the activities, attractions and BBQ etc. that will be available on the day.

My team will have a limited number of cars on site at Woburn Safari Park and we will be in constant communication with several key members of Woburn's staff. This is to help insure the day runs smoothly and that we can accommodate any reasonable special requests for the day as long as we are advised well in advance.

I can't wait, just typing this letter on this cold snowy day has filled me with excitement.

Kind regards

Betsy Marley
