

Great Recipe Ideas Wanted - That are Fayre and Square!

Fayre & Square is on the hunt to find a fun and imaginative 'square-shaped' dish to put on its menu and launches a nationwide competition to all you Brownies and Scouts who are budding cooks and keen to show off your catering skills.

To enter is easy and you could not only see your dish on the menu but also first prize wins £500 for the unit, 2nd receives £250 and 3rd gets £100 plus the winners themselves receive a free meal for a family of four at a Fayre & Square pub restaurant.

There's no cooking involved, although you may want to try and make it at home with an adult to see that it works and tastes yummy!

To enter, just simply design a dish telling us what the ingredients are (and quantities required) and how to make it. Plus if you can, either draw a picture or take a photo and send it in with your entry that would be great.

There are just four rules:

- 1) It must be square shaped when served – as the winning dish will feature on our Fayre & Square menu
- 2) Healthy. That means including at least two things that would form part of your 5-a day good foods
- 3) Be imaginative
- 4) Attach your name, age, address and Brownie / Scout Unit details with your entry

Closing date for entries is 30th March, 2011 and should be sent in to:
